## Centering the Supreme Court

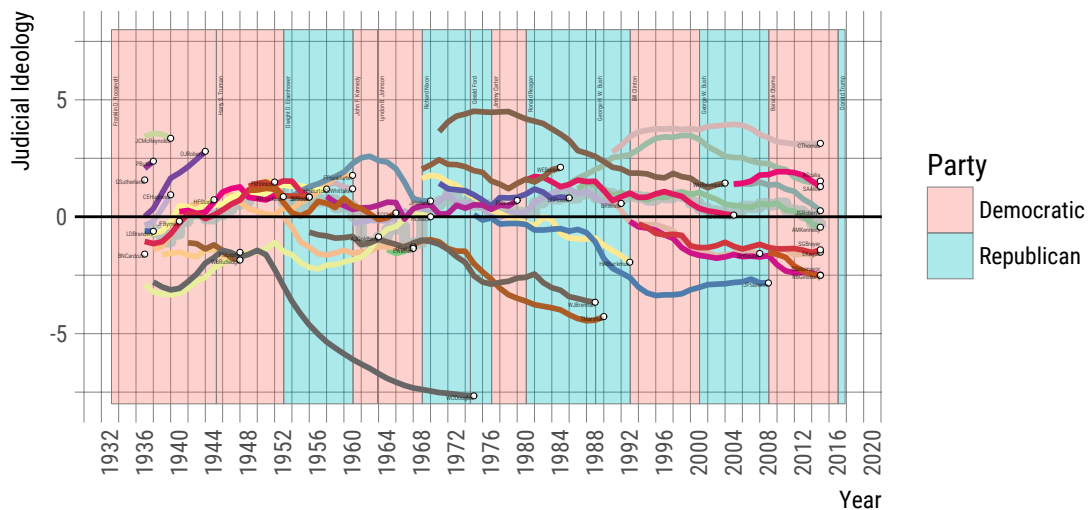

*Moises Evangelista*

*Prepared September 25, 2017*

This chart mimics the chart that appears on the economist magazine online <http://www.economist.com/blogs/graphicdetail/2017/02/daily-chart>

### Off-Center Court

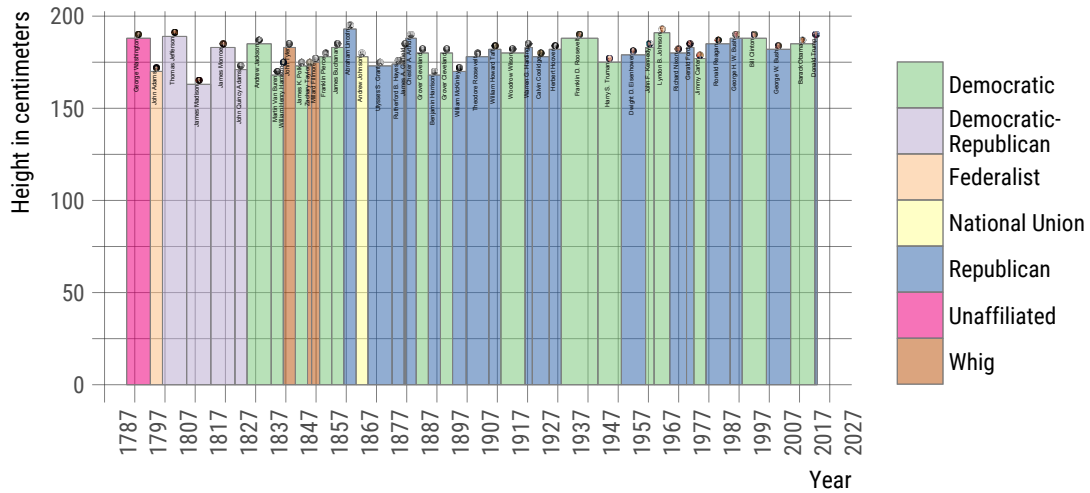

Measuring the relative location of U.S. Supreme Court justices on an ideological continuum allows us to better understand the politics of the high court. Lines marked the ideology by each justice member, the thicker line marks the court's median ideology over the years.

This chart mimics the chart that appears on the SAS community city <https://communities.sas.com/t5/SAS-GRAPH-and-ODS-Graphics/Fun-With-SAS-ODS-Graphics-All-the-Presidents-Heights/td-p/354854>

## Comming up short

U.S presidents hights by political party affiliation and term of presidency  
bar heights denote heights of presidents.

Presidents' data as of August 13, 2017
